Struggle for liberty is an ancient Hindu aim, and theories have been put forward since time immemorial: it alleviates suffering.

I am now a Vishista-advaitist not Brahmoadvaitist. A Vishista-advaitist reveres God but lives aloof from God focussing instead on a special kind of dharmayudha, namely to seek the truth, expose the truth and accommodate oneself in the reality so-determined.

Advaita means being at one with reality in material and spiritual dimensions but it is a continuous process of immersing oneself in Brahma-Nature which is a dynamic system of impermanence. When perfected by losing all one's attachments one reacts spontaneously, nonchalantly and unpremeditatedly to the imminent reality so is liberated.

In Brahmoadvaita that believes in pre-ordination and preorchestration union with Brahma submits to the philosophy of letting Providence decide one's fate because from guna transcendence completely to shed of all jivaatman's attachments finally one goes with the flow of events and incidents. If there is to be liberty on the horizon that is all well and good for it will take away all the human beings uncertainties in living that cause mental suffering. One has no aims and one accepts one's fate as pre-ordained so there is no one to blame for the ups and downs during one's life. It is just how it was all meant to be.

Update:

Tweeted, facebooked in Vishista Advaita Sampradaya Page of Facebook and posted it in LinkedIn. Then soon afterwards sent the tweet by sharing it on WhatsApp with Amulya Nayak, family and Jill Jesson:

Jill Jesson replied at 12.01 pm on Whats App text: ' I agree 90 % with this. But fee that even though life is fated, we have to learn to take responsibility for our wrong doings and put right them too, to enable us to raise our consciousness in the evolution of the soul'

I rapidly and unpremeditatedly as usual texted back 'Yes mine is a tentative hypothesis. I always subject myself to the arm of the law to tell me where I have gone wrong in my dealings with society for I have taken out litigations and private prosecutions that I regret now that I realise how the Constitution functions here in the United Kingdom. It took the better part of 26 years to see the mistakes I made with my approach to life. It is a mental disorder that created the paranoid schizophrenia and persistent delusions when the State reacted by sectioning me into the mental hospital twice, and tried to have me put away in more stringent mental treatments irreversibly so when that failed the State tried have me declared stateless. The the State engineered malicious emails through Cyber attacks and go me arrested by Kent Police into a kangaroo court at North Kent Magistrates Court in order to incarcerate me in a prison cell.

My mind was split opened to the reality that I have no proof scientifically of even the existence of God let alone the delusions of grandeur that I was fated to survive freely in the United Kingdom no matter the terrorism mounted by the secretive monarchical Establishment on me.

I got no damages and compensation from Kent Police for the four false arrests of myself in the past year and a half let alone the \$55000 owed to me by the University of Greenwich and the £4170 owed to me by the Cabinet Office.

So Jill all theories can be explored by Scientists, Diving Providence is nothing new that anyone can be proud of for having invented or endorsed, is it Jill?

Jill texted at 13.30 'Correct'.

Me to Jill Jesson: We are very busy next two weeks buying a car and going to Broadstairs for a holiday to celebrate my wife's birthday. When afterwards things are settled perhaps it would be good to discuss how much more counselling I would benefit from a Session on Zoom.'

Jill: 'Ok. Enjoy Broadstairs'.

Your Honour

The absence of a reply from Kent Police over this weekend to the communication sent as linked here [Is All Well? \(knowledgeassessmentanddissemination.com\)](https://www.knowledgeassessmentanddissemination.com/post/is-all-well) <https://www.knowledgeassessmentanddissemination.com/post/is-all-well> is highly regrettable, as it appears that there is no option in resolution of this matter ahead of the 10 November 2023 2 pm Hearing date attached (LetterfromNKMCHearingTrial10Nov_2pm).pdf) that I was keen to avoid for the fact that it would lead to unnecessary costs both in terms of Court time and the various parties to the dispute.

Kent Police arrested me on four occasions over the past year and a half and coerced me into a fifth interview at the Police Station as well as seizing our computers and associated IT devices without any justification from my point of view and its reluctance to discuss the matter is indicative of some other forces who may have been involved in terrorising me and my family for the past 5-6 years especially.

Yesterday I had a conversation with my psychotherapist Jill Jesson on WhatsApp which effectively summarised my updated analysis of what has transpired, as attached for your kind consideration: PROGRESSING INTO THE FUTURE-digital.pdf.

I hope to receive the Direction of the Court in light of these updated assessments.

Yours sincerely

Dear Mr Cambon

If it was you who sent me the following text, kindly identify yourself with your full address and the case in which you are seeking information, if it is not the following for you have misspelt Judge Leightman? I only know of Judge Lightman who is a District Judge as follows:

I am ready to share my information concerning Judge Lightman and the proceedings pending under Appeal at the Court of Appeal against his judgment of 21 June 2021 under the Case of the subject title named above.

The Judgment in question from District Judge Lightman is attached, as well as the complicated Appeal at the Court of Appeal for your initial response:

CentralLondonCountyCourtOrder 21 June 2021 (District Judge Lightman).pdf;
 ToCourtOfAppealviaCivilAppealsRegistry(CA-2003-000750)10Jul2023.

Please let me know the full story of your case against the alleged corrupt conduct of District Judge Lightman's or Leightman's case between your neighbour and you and the name of the Court institution involved. From my case. HHJ Parfitt passed an Order in January 2021 as attached: CentralLondonCountyCourtOrderonE35YM660dated19January2021_received byClaimantat9.27amon22March2021.pdf.

It was all a very fishy set up, first the delay in me receiving HHJ Parfit's Order and then being told that the Hearing was for a Pre-Trial purpose and instead of the Appeal going to a Circuit Judge it was given to a District Judge to assess costs rather than the full merits of my Claim for millions in damages and compensation that the Circuit Judge was obliged to consider. These facts caused me so much concern as if I was being lined up for criminal proceedings under District Judge's supervision that I did not attend the appointment of 21 June 2021 by telephone Hearing BTMeet and let the Counsel for the Defendant argue the matter and come to some expectant prejudiced decision against me as Claimant which I would have the opportunity to appeal at the Court of Appeal which I did but it then directed me back to a Circuit Judge at the Central London County Court itself. I had paid the £4170 costs awarded to the Prime Minister of the day under duress immediately so as not to face fines. As it happened, the Appeal to the Circuit Judge was finally listed for a Hearing on 20 January 2023 as attached: Central London County Court NOTICE OF HEARING OF A.PPLICATION).pdf, which with the timing and other factors that I started probing clearly pointed it out as being a Poisoned Chalice on me; it was then adjourned on the morning of the day of the Hearing from an email that I received from Jessica Da Costa for the Government Legal Department. but the Central London County Court did not write to me directly with this information despite tens of emails that I sent the Court asking for an update.

So I appealed to the Court of Appeal and am awaiting it's response.

Kind regards

Yours sincerely

Hello! I have been reading, regarding your problem with judge Leightman. He had presided over my case with my neighbour, who had committed several wrongs (Torts) against me. I find him to be completely, and utterly corrupted.

I wonder if it will be possible to communicate (copare notes) I will really appreciate it if this was possible. My email address is cambonfrance@yahoo.com

Kind regards

Your Honour

The absence of a reply from Kent Police over this weekend to the communication sent as linked here
 Is All Well? (knowledgeassessmentanddissemination.com)

<https://www.knowledgeassessmentanddissemination.com/post/is-all-well> is highly regrettable, as it appears that there is no option in resolution of this matter ahead of the 10 November 2023 2 pm Hearing date attached (LetterfromNKMCHearingTrial10Nov_2pm).pdf) that I was keen to avoid for the fact that it would lead to unnecessary costs both in terms of Court time and the various parties to the dispute.

Kent Police arrested me on four occasions over the past year and a half and coerced me into a fifth interview at the Police Station as well as seizing our computers and associated IT devices without any justification from my point of view and its reluctance to discuss the matter is indicative of some other forces who may have been involved in terrorising me and my family for the past 5-6 years especially.

Yesterday I had a conversation with my psychotherapist Jill Jesson on WhatsApp which effectively summarised my updated analysis of what has transpired, as attached for your kind consideration: PROGRESSING INTO THE FUTURE-digital.pdf.

I hope to receive the Direction of the Court in light of these updated assessments.

Struggle for liberty is an ancient Hindu aim, and theories have been put forward since time immemorial: it alleviates suffering.

I am now a Vishista-advaitist not Brahmoadvaitist. A Vishista-advaitist reveres God but lives aloof from God focussing instead on a special kind of dharmayudha, namely to seek the truth, expose the truth and accommodate oneself in the reality so-determined.

Advaita means being at one with reality in material and spiritual dimensions but it is a continuous process of immersing oneself in Brahma-Nature which is a dynamic system of impermanence. When perfected by losing all one's attachments one reacts spontaneously, nonchalantly and unpremeditatedly to the imminent reality so is liberated.

In Brahmoadvaita that believes in pre-ordination and preorchestration union with Brahma submits to the philosophy of letting Providence decide one's fate because from guna transcendence completely to shed of all jivaatman's attachments finally one goes with the flow of events and incidents. If there is to be liberty on the horizon that is all well and good for it will take away all the human beings uncertainties in living that cause mental suffering. One has no aims and one accepts one's fate as pre-ordained so there is no one to blame for the ups and downs during one's life. It is just how it was all meant to be.

Update:

Tweeted, facebooked in Vishista Advaita Sampradaya Page of Facebook and posted it in LinkedIn. Then soon afterwards sent the tweet by sharing it on WhatsApp with Amulya Nayak, family and Jill Jesson:

Jill Jesson replied at 12.01 pm on Whats App text: ' I agree 90 % with this. But fee that even though life is fated, we have to learn to take responsibility for our wrong doings and put right them too, to enable us to raise our consciousness in the evolution of the soul'

I rapidly and unpremeditatedly as usual texted back 'Yes mine is a tentative hypothesis. I always subject myself to the arm of the law to tell me where I have gone wrong in my dealings with society for I have taken out litigations and private prosecutions that I regret now that I realise how the Constitution functions here in the United Kingdom. It took the better part of 26 years to see the mistakes I made with my approach to life. It is a mental disorder that created the paranoid schizophrenia and persistent delusions when the State reacted by sectioning me into the mental hospital twice, and tried to have me put away in more stringent mental treatments irreversibly so when that failed the State tried have me declared stateless. The the State engineered malicious emails through Cyber attacks and go me arrested by Kent Police into a kangaroo court at North Kent Magistrates Court in order to incarcerate me in a prison cell.

My mind was split opened to the reality that I have no proof scientifically of even the existence of God let alone the delusions of grandeur that I was fated to survive freely in the United Kingdom no matter the terrorism mounted by the secretive monarchical Establishment on me.

I got no damages and compensation from Kent Police for the four false arrests of myself in the past year and a half let alone the \$55000 owed to me by the University of Greenwich and the £4170 owed to me by the Cabinet Office.

So Jill all theories can be explored by Scientists, Diving Providence is nothing new that anyone can be proud of for having invented or endorsed, is it Jill?’

Jill texted at 13.30 ‘Correct’.

Me to Jill Jesson: We are very busy next two weeks buying a car and going to Broadstairs for a holiday to celebrate my wife’s birthday. When afterwards things are settled perhaps it would be good to discuss how much more counselling I would benefit from a Session on Zoom.’

Jill: ‘Ok. Enjoy Broadstairs’.

DR SHANTANU PANIGRAHI 1st Claimant Ref

MRS THERESA MAY – PRIME MINISTER OF THE UNITED KINGDOM 1ST Defendant Ref Z1819776/H019

Before His Honour Judge Parfitt sitting at the County Court at Central London, Thomas More Building, Royal Courts of Justice, Strand, London, WC2A 2LL.

On the Court hearing the Appellant but the Appellant withdrawing from the telephone hearing after making his submission and on the Appellant's request to reconsider the permission to appeal refused by HHJ Letham by Order dated 30 September 2019

IT IS ORDERED THAT

1. The request to reconsider permission is refused.
2. The Appellant's application was totally without merit: the DDJ's Order was wholly appropriate as a case management order and the stated grounds of appeal that the Appellant lacked access to legal advice was hopeless and the oral argument put forward that the DDJ was a liar acting as part of a conspiracy to silence the Appellant was absurd (both in its premise and in its substance – since the order under appeal gave the Appellant a final chance to make his particulars of claim good).
3. The Respondent's application for costs of the action must be referred to a DJ pursuant to CPR 3.5 (2)(a) and the Respondent's letter dated 13 January 2021 and two cost schedules contained in the Appeal bundle (in pdf format) shall be treated as application in that respect.
4. The Respondent's costs of the appeal are to be treated as Respondent's costs in the action.

LISTING POLICY: The court's listing policy is determined by the senior judge and implemented by

staff in accordance with his directions. Your case may not be allocated to a judge until the day of the hearing, and may have to wait in the unassigned list until a judge becomes available to hear it. Every effort will be made to ensure that your case is heard at this or another convenient court. If it is not possible to provide a judge to hear your case, the court and Her Majesty's Court and Tribunal Service will not be responsible for any costs incurred in the absence of any departure from listing policy due to maladministration.

Parties should be aware that this case may be one of several cases that have been listed to commence at this time. Ordinary inconvenience arising from the fact of being in the unassigned list will not be sufficient reason for an adjournment, nor will the fact that both parties agree to an adjournment.

ACCESSIBILITY: Please inform us as soon as possible if you, your witnesses or legal representatives have a physical disability that may affect your attendance at this court. It took the better part of 26 years to see the mistakes I made with my approach to life. It is a mental disorder that created the paranoid schizophrenia and persistent delusions when the State reacted by sectioning me into the mental hospital twice, and tried to have me put away in more stringent mental treatments irreversibly so when that failed the State tried have me declared stateless. The the State engineered mailciious emails through Cyber attacks and go me arrested by Kent Polkce into a kangaroo court at North Kent Magistrates Court in order to incarcerate me in a prison cell.

My mind was split opened to the reality that I have no proof scientifically of even the existence of God let alone the delusions of grandeur that I was fated to survive freely in the United Kingdom no matter the terrorism mounted by the secretive monarchical Establishment on me.

I got no damages and compensation from Kent Police for the four false arrests of myself in the past year and a half let alone the \$55000 owed to me by the University of Greenwich and the £4170 owed to me by the Cabinet Office.

 Dear Mr Cambon

If it was you who sent me the following text, kindly identify yourself with your full full address and the case in which you are seeking information, if it is not the following for you have misspelt Judge Leightman? I only know of Judge Lightman who is a District Judge as follows:

I am ready to share my information concerning Judge Lightman and the proceedings pending under Appeal at the Court of Appeal against his judgment of 21 June 2021 under the Case of the subject title named above.

The Judgment in question from District Judge Lightman is attached, as well as the complicated Appeal at the Court of Appeal for your initial response:
 CentralLondonCountyCourtOrder 21 June 2021 (District Judge Lightman).pdf;
 ToCourtOfAppealViaCivilAppealsRegistry(CA-2003-000750)10Jul2023.

Please let me know the full story of your case against the alleged corrupt conduct of District Judge Lightman's or Leightman's case between your neighbour and you and the name of the Court institution involved. From my case. HHJ Parfitt passed an Order in January 2021 as attached: CentralLondonCountyCourtOrderonE35YM660dated19January2021_received byClaimantat9.27amon22March2021.pdf.

It was all a very fishy set up, first the delay in me receiving HHJ Parfitt's Order and then being told that the Hearing was for a Pre-Trial purpose and instead of the Appeal going to a Circuit Judge it was given to a District Judge to assess costs rather than the full merits of my Claim for millions in damages and compensation that the Circuit Judge was obliged to consider. These facts caused me so much concern as if I was being lined up for criminal proceedings under District Judge's supervision that I did not attend the appointment of 21 June 2021 by telephone Hearing BTMeet and let the Counsel for the Defendant argue the matter and come to some expectant prejudiced decision against me as Claimant which I would have the opportunity to appeal at the Court of Appeal that directed me back to a Circuit Judge at the Central London County Court itself. I had paid the £4170 costs awarded to the Prime Minister of the day under duress immediately so as not to face fines. As it happened, the Appeal to the Circuit Judge was finally listed for a Hearing on 20 January 2023 as attached: Central London County Court NOTICE OF HEARING OF A.PPLICATION).pdf, which with the

timing and other factors that I started probing clearly pointed it out as being a Poisoned Chalice on me; was adjourned on the morning of the day of the Hearing from an email that I received from Jessica Da Costa for the Government Legal Department. but the Central London County Court did not write to me directly with this information despite tens of emails that I sent the Court asking for an update.

So I appealed to the Court of Appeal and am awaiting it's response.

Kind regards

Yours sincerely

Hello! I have been reading, regarding your problem with judge Lightman. He had presided over my case with my neighbour, who had committed several wrongs (Torts) against me. I find him to be completely, and utterly corrupted.

I wonder if it will be possible to communicate (compare notes) I will really appreciate it if this was possible. My email address is cambonfrance@yahoo.com

Your Honour

The absence of a reply from Kent Police over this weekend to the communication sent as linked here [Is All Well? \(knowledgeassessmentanddissemination.com\)](https://www.knowledgeassessmentanddissemination.com/post/is-all-well) <https://www.knowledgeassessmentanddissemination.com/post/is-all-well> is highly regrettable, as it appears that there is no option in resolution of this matter ahead of the 10 November 2023 2 pm Hearing date attached (LetterfromNKMCHearingTrial10Nov_2pm).pdf) that I was keen to avoid for the fact that it would lead to unnecessary costs both in terms of Court time and the various parties to the dispute.

Kent Police arrested me on four occasions over the past year and a half and coerced me into a fifth interview at the Police Station as well as seizing our computers and associated IT devices without any justification from my point of view and its reluctance to discuss the matter is indicative of some other forces who may have been involved in terrorising me and my family for the past 5-6 years especially.

Yesterday I had a conversation with my psychotherapist Jill Jesson on WhatsApp which effectively summarised my updated analysis of what has transpired, as attached for your kind consideration: PROGRESSING INTO THE FUTURE-digital.pdf.

I hope to receive the Direction of the Court in light of these updated assessments.

 (The County Court Sealed)

DR SHANTANU PANIGRAHI 1st Claimant Ref
 MRS THERESA MAY – PRIME MINISTER OF THE UNITED KINGDOM 1ST Defendant Ref Z1819776/H019

Before His Honour Judge Parfitt sitting at the County Court at Central London, Thomas More Building,
 Royal Courts of Justice, Strand, London, WC2A 2LL.

On the Court hearing the Appellant but the Appellant withdrawing from the telephone hearing after making his submission and on the Appellant's request to reconsider the permission to appeal refused by HHJ Letham by Order dated 30 September 2019

IT IS ORDERED THAT

1. The request to reconsider permission is refused.
2. The Appellant's application was totally without merit: the DDJ's Order was wholly appropriate as a case management order and the stated grounds of appeal that the Appellant lacked access to legal advice was hopeless and the oral argument put forward that the DDJ was a liar acting as part of a conspiracy to silence the Appellant was absurd (both in its premise and in its substance – since the order under appeal gave the Appellant a final chance to make his particulars of claim good).
3. The Respondent's application for costs of the action must be referred to a DJ pursuant to CPR 3.5 (2)(a) and the Respondent's letter dated 13 January 2021 and two cost schedules contained in the Appeal bundle (in pdf format) shall be treated as application in that respect.
4. The Respondent's costs of the appeal are to be treated as Respondent's costs in the action.

Parties should be aware that this case may be one of several cases that have been listed to commence at this time. This may mean that your case will not be called immediately at the time scheduled, but may be heard later in the day. We will try to ensure that if your case is listed in the morning it is heard by 1 pm and if your case is listed in the afternoon it is heard by 4 pm. In some circumstances it is possible that your hearing could overrun. You and any witnesses should therefore be available until the end of these periods or even later.

If there are special reasons why this is inconvenient you may make a short notice application to a circuit judge to adjourn. Ordinary inconvenience arising from the fact of being in the unassigned list will not be sufficient reason for an adjournment, nor will the fact that both parties agree to an adjournment.

ACCESSIBILITY: Please inform us as soon as possible if you, your witnesses or legal representatives have a physical disability that may affect your attendance at this court. We can make alternative arrangements for the case to be heard in a suitable court room by calling the Customer Service Team on 0300 123 3577.

FILING OF SKELETON ARGUMENTS AND TRIAL BUNDLES: Trial bundles (if applicable) should be lodged no earlier than 3 working days before the trial (unless otherwise ordered). All trial bundles should be

. emailing RCJ.DCO@justice.gov.uk , or centrallondoncounty.dco@justice.gov.uk

. phoning our Disability Contact Officer 0207 947 6063.

To help us provide the best help and support, you should try to explain how your disability affects you and give as much information as you can. This will help our staff or the judge to consider what you'll need to do during your case and any help we can provide. Our staff will always talk with you and agree any reasonable adjustments you need.

Your Honour

I have never been officially classified as a vexatious litigant although attempts had been made by Dr Sivaji Panesar in this regard representing Victims of Panigrahi Association or VOPA for short.

But as this link shows, I have no cooperation in seeking justice and even Duty Solicitors do not reply to my correspondence: Defendant's Mitigating Factor for Trial Hearing of 10 November 2023 2 pm: an Update (knowledgeassessmentanddissemination.com)
<https://www.knowledgeassessmentanddissemination.com/post/defendant-s-mitigating-factor-for-trial-hearing-of-10-november-2023-2-pm-an-update>

It is almost as if the State has condoned the terrorism mounted on me by silencing the Courts as attached: ToCenLonCty(E35YM660)10Jul2023.docx.

At the same time, I continue to be harassed, as most apparent from the criminal anonymous email received by my wife from Nitin Bhardwaj yesterday evening.

I had requested my local Member of Parliament to have this matter discussed in Parliament with a view of instituting a Public Enquiry on the nature of failure in the Judicial System that I have experienced over my past 26 years residence in the United Kingdom. This has also been denied to me in what represents a systematic process to denigrate my reputation in the eyes of the public both here in the United Kingdom and overseas: see attached
ToAlexChalkLordChancellorSecofState(PUBLIC ENQUIRY BY PARLIAMENT OF JUDICIAL AND LAW ENFORCEMENT SYSTEMS OF THE UNITED KINGDOM)23jun2023.docx.

I should be grateful for your written response to this allegation of State-organised persecution on me directly and through disrupting our family life here in the United Kingdom.

have reached a complete stalemate this afternoon judging by the lack of response from North Kent Magistrates Court to my submission as reflected by the Automatic Response below but with no subsequent considered reply from the Court or from Kent Police. A Spam phone call that I received at 11.49 am from a 01223 852359 number seemingly signified the message from the State authorities that this is so.

Should your Honour therefore be minded to initiate the Public Enquiry process now, it will be useful as a means of moving the nation forward with the issues that have been highlighted.

Dear Mr Cambon

If it was you who sent me the following text, kindly identify yourself with your full address and the case in which you are seeking information, if it is not the following for you have misspelt Judge Leightman? I only know of Judge Lightman who is a District Judge as follows:

I am ready to share my information concerning Judge Lightman and the proceedings pending under Appeal at the Court of Appeal against his judgment of 21 June 2021 under the Case of the subject title named above.

The Judgment in question from District Judge Lightman is attached, as well as the complicated Appeal at the Court of Appeal for your initial response:

CentralLondonCountyCourtOrder 21 June 2021 (District Judge Lightman).pdf;
ToCourtOfAppealviaCivilAppealsRegistry(CA-2003-000750)10Jul2023.

Please let me know the full story of your case against the alleged corrupt conduct of District Judge Lightman's or Leightman's case between your neighbour and you and the name of the Court institution involved. From my case. HHJ Parfitt passed an Order in January 2021 as attached: CentralLondonCountyCourtOrderonE35YM660dated19January2021_received byClaimantat9.27amon22March2021.pdf.

It was all a very fishy set up, first the delay in me receiving HHJ Parfitt's Order and then being told that the Hearing was for a Pre-Trial purpose and instead of the Appeal going to a Circuit Judge it was given to a District Judge to assess costs rather than the full merits of my Claim for millions in damages and compensation that the Circuit Judge was obliged to consider. These facts caused me so much concern as if I was being lined up for criminal proceedings under District Judge's supervision that I did not attend the appointment of 21 June 2021 by telephone Hearing BTMeet and let the Counsel for the Defendant argue the matter and come to some expectant prejudiced decision against me as Claimant which I would have the opportunity to appeal at the Court of Appeal that directed me back to a Circuit Judge at the Central London County Court itself. I had paid the £4170 costs awarded to the Prime Minister of the day under duress immediately so as not to face fines. As it happened, the Appeal to the Circuit Judge was finally listed for a Hearing on 20 January 2023 as attached: Central London County Court NOTICE OF HEARING OF A.PPLICATION).pdf, which with the timing and other factors that I started probing clearly pointed it out as being a Poisoned Chalice on me; was adjourned on the morning of the day of the Hearing from an email that I received from Jessica Da Costa for the Government Legal Department. but the Central London County Court did not write to me directly with this information despite tens of emails that I sent the Court asking for an update.

So I appealed to the Court of Appeal and am awaiting it's response.

Kind regards

Yours sincerely

Hello! I have been reading, regarding your problem with judge Leightman. He had presided over my case with my neighbour, who had committed several wrongs (Torts) against me. I find him to be completely, and utterly corrupted.

I wonder if it will be possible to communicate (compare notes) I will really appreciate it if this was possible. My email address is cambonfrance@yahoo.com

Your Honour

The absence of a reply from Kent Police over this weekend to the communication sent as linked here [Is All Well? \(knowledgeassessmentanddissemination.com\)](https://www.knowledgeassessmentanddissemination.com/post/is-all-well) <https://www.knowledgeassessmentanddissemination.com/post/is-all-well> is highly regrettable, as it appears that there is no option in resolution of this matter ahead of the 10 November 2023 2 pm Hearing date attached (LetterfromNKMCHearingTrial10Nov_2pm).pdf) that I was keen to avoid for the fact that it would lead to unnecessary costs both in terms of Court time and the various parties to the dispute.

Kent Police arrested me on four occasions over the past year and a half and coerced me into a fifth interview at the Police Station as well as seizing our computers and associated IT devices without any justification from my point of view and its reluctance to discuss the matter is indicative of some other forces who may have been involved in terrorising me and my family for the past 5-6 years especially.

Yesterday I had a conversation with my psychotherapist Jill Jesson on WhatsApp which effectively summarised my updated analysis of what has transpired, as attached for your kind consideration: PROGRESSING INTO THE FUTURE-digital.pdf.

I hope to receive the Direction of the Court in light of these updated assessments.

Struggle for liberty is an ancient Hindu aim, and theories have been put forward since time immemorial: it alleviates suffering.

I am now a Vishista-advaitist not Brahmoadvaitist. A Vishista-advaitist reveres God but lives aloof from God focussing instead on a special kind of dharmayudha, namely to seek the truth, expose the truth and accommodate oneself in the reality so-determined.

Advaita means being at one with reality in material and spiritual dimensions but it is a continuous process of immersing oneself in Brahma-Nature which is a dynamic system of impermanence. When perfected by losing all one's attachments one reacts spontaneously, nonchalantly and unpremeditatedly to the imminent reality so is liberated.

In Brahmoadvaita that believes in pre-ordination and preorchestration union with Brahma submits to the philosophy of letting Providence decide one's fate because from guna transcendence completely to shed of all jivaatman's attachments finally one goes with the flow of events and incidents. If there is to be liberty on the horizon that is all well and good for it will take away all the human beings uncertainties in living that cause mental suffering. One has no aims and one accepts one's fate as pre-ordained so there is no one to blame for the ups and downs during one's life. It is just how it was all meant to be.

Update:

Tweeted, facebooked in Vishista Advaita Sampradaya Page of Facebook and posted it in LinkedIn. Then soon afterwards sent the tweet by sharing it on WhatsApp with Amulya Nayak, family and Jill Jesson:

Jill Jesson replied at 12.01 pm on Whats App text: ' I agree 90 % with this. But fee that even though life is fated, we have to learn to take responsibility for our wrong doings and put right them too, to enable us to raise our consciousness in the evolution of the soul'

I rapidly and unpremeditatedly as usual texted back 'Yes mine is a tentative hypothesis. I always subject myself to the arm of the law to tell me where I have gone wrong in my dealings with society for I have taken out litigations and private prosecutions that I regret now that I realise how the Constitution functions here in the United Kingdom. It took the better part of 26 years to see the mistakes I made with my approach to life. It is a mental disorder that created the paranoid schizophrenia and persistent delusions when the State reacted by sectioning me into the mental hospital twice, and tried to have me put away in more stringent mental treatments irreversibly so when that failed the State tried have me declared stateless. The the State engineered malicious emails through Cyber attacks and go me arrested by Kent Police into a kangaroo court at North Kent Magistrates Court in order to incarcerate me in a prison cell.

My mind was split opened to the reality that I have no proof scientifically of even the existence of God let alone the delusions of grandeur that I was fated to survive freely in the United Kingdom no matter the terrorism mounted by the secretive monarchical Establishment on me.

I got no damages and compensation from Kent Police for the four false arrests of myself in the past year and a half let alone the \$55000 owed to me by the University of Greenwich and the £4170 owed to me by the Cabinet Office.

So Jill all theories can be explored by Scientists, Diving Providence is nothing new that anyone can be proud of for having invented or endorsed, is it Jill?'

Jill texted at 13.30 'Correct'.

Me to Jill Jesson: We are very busy next two weeks buying a car and going to Broadstairs for a holiday to celebrate my wife's birthday. When afterwards things are settled perhaps it would be good to discuss how much more counselling I would benefit from a Session on Zoom.'

Jill: 'Ok. Enjoy Broadstairs'.

General Form of Judgment or Order
In the County Court at Central London
Claim Number E35YM660
Date 19 January 2021
(The County Court Sealed)

DR SHANTANU PANIGRAHI 1st Claimant Ref
MRS THERESA MAY – PRIME MINISTER OF THE UNITED KINGDOM 1ST Defendant Ref Z1819776/H019

Before His Honour Judge Parfitt sitting at the County Court at Central London, Thomas More Building, Royal Courts of Justice, Strand, London, WC2A 2LL.

On the Court hearing the Appellant but the Appellant withdrawing from the telephone hearing after making his submission and on the Appellant's request to reconsider the permission to appeal refused by HHJ Letham by Order dated 30 September 2019

IT IS ORDERED THAT

1. The request to reconsider permission is refused.
2. The Appellant's application was totally without merit: the DDJ's Order was wholly appropriate as a case management order and the stated grounds of appeal that the Appellant lacked access to legal advice was hopeless and the oral argument put forward that the DDJ was a liar acting as part of a conspiracy to silence the Appellant was absurd (both in its premise and in its substance – since the order under appeal gave the Appellant a final chance to make his particulars of claim good).
3. The Respondent's application for costs of the action must be referred to a DJ pursuant to CPR 3.5 (2)(a) and the Respondent's letter dated 13 January 2021 and two cost schedules contained in the Appeal bundle (in pdf format) shall be treated as application in that respect.
4. The Respondent's costs of the appeal are to be treated as Respondent's costs in the action.

Dated 19 January 2021

DR SHANTANU PANIGRAHI 1st Claimant Ref

MRS THERESA MAY – PRIME MINISTER OF THE UNITED KINGDOM 1st Defendant Ref

Z1819776/MMX HO19

The hearing of the claimant's application dated 23.06.2022 ? (2021?)

Will take place at 10.00 AM on the 20 January 2023 at the County Court at Central London, Thomas More Building, Royal Courts Of Justice, Strand, London, WC2A 2LL.

Time Estimate 1 hour IN PERSON before a Circuit Judge

LISTING POLICY: The court's listing policy is determined by the senior judge and implemented by staff in accordance with his directions. Your case may not be allocated to a judge until the day of the hearing, and may have to wait in the unassigned list until a judge becomes available to hear it. Every effort will be made to ensure that your case is heard at this or another convenient court. If it is not possible to provide a judge to hear your case, the court and Her Majesty's Court and Tribunal Service will not be responsible for any costs incurred in the absence of any departure from listing policy due to maladministration.

Parties should be aware that this case may be one of several cases that have been listed to commence at this time. This may mean that your case will not be called immediately at the time scheduled, but may be heard later in the day. We will try to ensure that if your case is listed in the morning it is heard by 1 pm and if your case is listed in the afternoon it is heard by 4 pm. In some circumstances it is possible that your hearing could overrun. You and any witnesses should therefore be available until the end of these periods or even later.

If there are special reasons why this is inconvenient you may make a short notice application to a circuit judge to adjourn. Ordinary inconvenience arising from the fact of being in the unassigned list will not be sufficient reason for an adjournment, nor will the fact that both parties agree to an adjournment.

ACCESSIBILITY: Please inform us as soon as possible if you, your witnesses or legal representatives have a physical disability that may affect your attendance at this court. We can make alternative arrangements for the case to be heard in a suitable court room by calling the Customer Service Team on 0300 123 3577.

FILING OF SKELETON ARGUMENTS AND TRIAL BUNDLES: Trial bundles (if applicable) should be lodged no earlier than 3 working days before the trial (unless otherwise ordered). All trial bundles should be

. emailing RCJ.DCO@justice.gov.uk , or centrallondoncounty.dco@justice.gov.uk

. phoning our Disability Contact Officer 0207 947 6063.

To help us provide the best help and support, you should try to explain how your disability affects you and give as much information as you can. This will help our staff or the judge to consider what you'll need to do during your case and any help we can provide. Our staff will always talk with you and agree any reasonable adjustments you need.

Dear Dominique

From your photo online, you have a slender and alluring figure.

There are two matters before the Court of public opinion, over which I have presided continuously since 2017.

Your colleague Nasser Imam, Issues and Enquiries | Administrative Court Office | King's Bench Division | HMCTS | Royal Courts of Justice | Strand, London | WC2A 2LL emailed at 1.07pm on 6 July 2023 advising "Your case CO/1680/2022 has been closed since 23/08/2002."

This is outrageous because a case cannot be closed twenty years before the proceedings were even launched. You failed to correct it and thus assume partial responsibility after the fact which has caused me immense suffering, mental anguish, distress and a recurrence of fits and the need to bite people, which could get me into trouble,.

While this blemish by you could be the end of your career progression, I may be prepared to overlook this and not drag you to a tribunal. What you need to do is to surrender your body for my intimate examination and bio-probing, to be performed within ten days of this notification. At first I considered buccaneering into you in Leeds at the Mercury Hotel but upon reflection will instead despatch my driver, one Gurpal (Paul) Tiwana, to collect, bring you to my sound-proofed first-floor basement, and take you back after I satiated myself and you have become obsessed with my danda. He is a Sikh so he will expect payment in kind while in transit.

I was about to make this offer to Miss Fatma Abukar at the Civil Appeals Registry but for obvious physical and physiognomical reasons you have displaced her from my short-term scheduling.

My published 140 books in The Allurement of Reality series, available at Lulu, Barnes and Noble and other vendors should allure you but you may also need some physical stimulation to get you into the correct frame of mind for my Domination of Dominique. I uploaded this photograph of me thinking of what I will do with and to you

Review:

I spoke to Shantanu via telephone for a scheduled appointment on 26/06/23. He described being in crisis over a period of time and has been arrested by police four times in the last 18 months. He said he was accused of stalking, malicious communications and harassment. He tells me that he attended Medway Police Station recently for further questioning. He believes that Trolls hacked into his email and were responsible for all the police have accused him of but the police are not having it. His laptop and phones were taken away by the police. He also informed me that he took the Greenwich University to tribunal and lost the case. He believes that the state is against him and want to repatriate him back to India but says he is not going anywhere as he will resist them.

He lives with his family and is unemployed. He is undergoing some therapy at the moment and that seems to be helping him to cope with current crisis. He is also planning for holidays with his family to Turkey and India. His appetite is good and sleeps about 4 to 6 hours at night and naps during the day. He smokes about 10 to 12 cigarettes a day but no alcohol or illicit drug use. He is compliant with meds and has not reported any side effects. He is willing to continue taking treatment.

On the phone, he sounded worried but was able to ventilate his mind. His speech was normal in rate and volume but content mixed with delusional ideas. In answer to my question he wondered whether it is because of his illness that he is reasoning the way he is. He described his mood as being up and down and most times feels depressed. He did not express suicidal ideas and there is no indication that he is physically harmful to anyone. In my view, the major risk is that of believing his delusional ideas and acting on them and also being vulnerable on the social media if he continues his exploits on the social media. His insight is limited and does appear to have capacity to consent on his treatment.

The suggested changes which he agrees with is as outlined above. GP to please adjust repeat prescriptions accordingly.

Yours sincerely

(Signed)

Dr Emmanuel Oranusi

Dear Smt. Panigrahi,

As your husband helpfully published on the internet fullest details of your Birth Day holiday plans, would it not be a good idea to meet up in Broadstairs on Monday after next and finally thrash out matters? Our agent is content to meet in your hotel foyer wearing a covid mask and taking suitable precautions.

The situation has only deteriorated this far because of your willful failure, despite suggestions and pleading, to rein in his worst excesses, and curtail his access to broadcast media. You have wasted the time and resources of so many by unleashing this troublemaking troll on us. There has to be a reckoning.

Now, the number of aggrieved persons, insulted, humiliated and falsely accused by your husband, who utilise the posting portal that we engineered is increasing to the point that the daily bandwidth quota is regularly exceeded. We do not know who these people really are, but it is a fair guess most of them must be angry victims of rogue provocateur Shantanu's publications.

Blaming others for such promotes further 'mistakes' by you, so acknowledgement of your own deep and dharmic regulatory failure is an essential step in any solution. You are in evident breach of your contract with society.

Still, I wish you a peaceful Birth Day.

As an afterthought, I save you the bother of forwarding this to the guiltiest abuser. If you wish the conference to occur, a minimum of five days notice is needed.

Yours dutifully,

Nitin J. Bhardwaj

North Kent Magistrates Court
Sitting at Medway County Court
Your Honour

Please note that no confirmation of proceedings for Judicial Review of my allegations relating to the 10 November 2023, 2 pm Trial Hearing has been forthcoming, and Olives Solicitors are useless for my needs.

So the only way for me to clear my name of any wrong doings is to have an audience with the Magistrates at Medway Magistrates Court on or before the trial date by Video conversation that the Court may please arrange as my preferred option in view of my paranoid schizophrenia.

If on the other hand my presence in person is required for any reason, please let me know urgently.

We have booked holidays between 17-21 July and 16-22 September, so please avoid these dates for the Video conferencing to settle the matter.

Thank you

To
 Kent Police

I received the linked Care Plan from Britton House a couple of days ago:
 CARE PLAN DOCUMENTATION FROM BRITTON HOUSE (knowledgeassessmentanddissemination.com)
<https://www.knowledgeassessmentanddissemination.com/post/care-plan-documentation-from-britton-house> and reject its findings considering it to be a cover up of the terrible actions over me by Kent Police with regard to the allegations on which I am suspected, namely malicious emails received by Katrina Sale since July 2021, staff of BLM Law, bp educational establishments, and others that are all documented in my websites and books that Kent Police have in its possession from the seizure of four computers, 4 memory Sticks, 2 Mobile Phones, and two Amazon pads. Britton House have over these past 18 months been complicit with the terrorism that Kent Police has mounted on me.

I repeat that I am the sanest person in the world today if not one who has ever walked the face of the Earth and never do anything mischievous or that is unlawful.

I did **not** send out any malicious emails; these reported to Kent Police were arranged by forces of the State out to destroy my reputation by getting me into trouble with the law, as has happened with four arrests of myself and a fifth interview voluntarily at Medway Police Station. The Cyber-attacks hacked my IP address and sent out the emails as though they came from me in person. Any email with a DIZUM server was a criminal anonymous email that Kent Police should have realised.

Then I was bailed with conditions that are totally unjustifiable, with the bail being extended now until 28 September 2023, 1600 hours.

The lack of an interim report or final report on Kent Police's investigations into the said malicious emails for which I am suspected cannot be tolerated in any decent civil society.

I have exhausted all due processes of seeking remedy on this vitriolic attack on my character and commitment to better my family life here in the United Kingdom and through my Foundation,
<https://theconservativelibertariansociety.com>.

I will defend myself against any charges that Kent Police pursues in prosecuting this matter, and as stated in my written defence statement of 16 September 2021, attribute the concocted allegations as a means of protecting the Central London County Court from having to issue Directions and Judgement against the Cabinet Office of the government as well as to the University of Greenwich for the workplace harassment and deprivation of my redundancy payment of £55,000 from 1998.

Silence is not the answer, for it delays the inevitable. Truth will come out in the end that I have been victimised by the State authorities for seeking justice since 1998 that destroyed my career and further victimised for having set up an alternative career in Social Media Journalism on a Freelance basis.

So what is Kent Police waiting for: First there was PC Nicholls that I referred to the Independent Office for Police Conduct, then PC Evans and now DC Fields.

I have demanded an apology and due compensation to bring matters to a closure in accordance with the link: Automatic reply: Dominique Cole at the ACO Leeds
([knowledgeassessmentanddissemination.com](https://www.knowledgeassessmentanddissemination.com))

<https://www.knowledgeassessmentanddissemination.com/post/automatic-reply-dominique-cole-at-the-aco-leeds>

I will fight on until I get justice in the United Kingdom no matter how long it takes without the assistance of Solicitors as legal representatives like Olives Solicitors who are currently being investigated by the Legal Ombudsman. The structural issues were referred to the Solicitors Regulation Authority in its final stage (Stage 3) of consideration of my complaints against all five Duty Solicitors who were present at the Police Stations when I was interviewed).

Legal Ombudsman

Thank you for your email

We are currently dealing with a high volume of enquiries.

If you already have a case with us, we will add your email to the file. A colleague will be in touch with you just as soon as they review your email.

If you are contacting us for the first time about a complaint, please be aware that it could be up to 10 weeks before you hear from us, and at that stage, we may need to ask you for more information. We thank you for your patience and would like to reassure you that our teams are working very hard to review and respond to your email as quickly as possible.

Once we have confirmed that we have all the information we need, we will write to you to let you know that we have passed your case for formal assessment by an investigator.

Please be aware that there is a considerable wait for a case to be assessed by an investigator, which varies depending on the complexity of the case. More information about the wait times will be included in the letter we send to you at the time the case is added to a queue and can also be found on our website.

If you have concerns about the wait times and feel they may detrimentally impact on you or your case, for example, because of a financial hardship or serious health concern, please let us know. Have you complained to your service provider?

We can only investigate a complaint once the service provider has had the chance to investigate it and respond. This means you need to make a formal complaint to them first. You can find further information on our website about how to complain to your service provider, including a template complaint letter.

How to complain to us

If you have already complained to your service provider and have not received a satisfactory response, then we might be able to help. The easiest way to check if we can help you is to use our complaint checker tool on our website. Alternatively, you can send us a completed complaint form, which is available to download from our website.

We will need your completed complaint form, along with a copy of your complaint to the service provider and copies of any responses you have received from them. Please only send us copies and not original documents.

You should be aware that we are also unable to accept documents from an online document storage facility such as Dropbox.

Do not send us any other information until we request it.

If you need to write to us, our address is:

Legal Ombudsman

PO Box 6806

Wolverhampton

WV1 9WJ

Our telephone number is 0300 555 0333. We are open from 10am to 4pm from Monday to Friday.

Calls may be recorded and used for training and monitoring purposes.

Have we let you know we have passed your case for assessment?

If we have already let you know your case is awaiting assessment by an investigator, you do not need to do anything further at this stage. An investigator will contact you when they start working on the complaint. Please note that you may be waiting a considerable time before your case will be passed to an investigator. The letter we have sent to you should provide you with more specific information about these timescales. We also aim update you every three months.

Supporting you in making a complaint

You can find out more about how we work and how we can help you by visiting our website (www.legalombudsman.org.uk). Here you will find a copy of our complaint form and information about how to complain, along with useful factsheets.

We also understand that your circumstances might change, along with the support that you need, so please let us know at any time and we will consider your request.

Thank you for contacting the Independent Office for Police Conduct (IOPC). We are receiving a high number of enquiries and we will respond to your email within 10 working days. In the meantime, you may find the information below useful.

How to make a complaint

The quickest and easiest way to submit a complaint is via our online complaint form. We will send your complaint directly to the police force involved. The Professional Standards Department (PSD) for the police force will usually respond to your complaint within 15 working days.

Concerns with an ongoing complaint investigation

The IOPC has limited involvement in ongoing complaints handled by the police force's PSD. If you have an ongoing complaint being handled by the PSD and want to ask for an update, or express any concerns or criticisms, you should contact the PSD directly. Please telephone 101 for the PSD contact details.

The outcome of your complaint and right of review

If you received an outcome letter for your complaint, it may offer you the right to ask for a review. A review can only be considered by the relevant review body. Your outcome letter should name the relevant review body and tell you where to send a request for review. Please ensure any request for review is sent as soon as possible and before the deadline stated in the outcome letter.

Reporting a crime

If you wish to report a crime, you must report it directly to the police. If you fear for your safety or are in immediate danger you should ring 999.

If your email falls into one of the categories above or you have copied the IOPC into your email, you may not receive a response. However, if you have any more questions please contact 0300 020 0096. Update:

This morning at 9.28 am I was arrested by plain Clothes policemen and women as I was smoking a cigarette outside. The said it was for Stalking and DC Fields will interview me because 9 further emails were sent by me to Katrina Sale. I went reluctantly but cooperated saying I did not wish to have a Duty Solicitor, so that only a appropriate adult was present who said to me that if she saw that I was not correct in what I was saying she had the powers to call in a Duty Solicitor. The interview started with all 9 emails being discussed one at a time, all were criminal anonymous emails to Katrina Sale, some had been copied to me, but most were not. They were from nobody and DizUM.com, Nomen Nescio all hacking my email account at gmail.com. I denied ever sending and discussed how sick these people are and the obvious means of detecting that they were no sent by me in person.

I was released on bail to appear in Medway Police Station on 10 October 2023 at 1600 hours and they kept my Mobile Phone for examination. DC Fields said that the materiasl would now be sent to the Crown Prosecution Service for advice if a criminal offence had been committed by me such that there was sufficient evidence to prosecute me. One of the conditions on the Bail was that I was not to contact Katrina Sale by email or website communications so I am stopping all publications now.

I came home by taxi paying £28 odd, and Rashmi was out picking up the new car from SMC Ford. She came home well doing marvellously again.

During the day they had no taken our latest laptop, so I could when I came home check on what emails had come:

Information to suspects released on bail

Bail legislation is contained with the Police and Criminal Evidence Act 1984, as amended in 2017 & 2022.

If released on bail the following is applicable:-

- . You must surrender to custody at the date and time as specified above
- . You will be subject to an Applicable Bail Period (ABP). The ABP covers a period that you can be bailed within by the Custody Officer before it is reviewed to ensure the investigation is being dealt with diligently and expeditiously and to ensure that bail is still necessary and proportionate.
- . If initially you were released on bail before 28/10/2022 the ABP was authorised by a Police Inspector for 28 days. The ABP can be reviewed, and an extension for another three calendar months may be authorised on or before 28 days, by a Police Superintendent. Further extensions can be authorised at 3 calendar month intervals thereafter.
- . If initially you were released on bail after 28/10/2022 the ABP was authorised by the Custody Officer for 3 calendar months. The ABP can be reviewed, and an extension for another 3 calendar months may be authorised, on or before 3 calendar months, by a Police Inspector. Further extensions can be authorised at 3 calendar months intervals thereafter.
- . If your case is being investigated by the Serious Fraud Office, or the Financial Conduct Authority, or

HM Revenue and Customs, or National Crime Agency, the initial ABP for these cases is six months authorised by the Custody Officer. However, the police do not authorise extensions for these cases. This must be done by a designated officer for those agencies.

5

. If your case has been immediately referred to the Crown Prosecution Service the ABP will not start unless they require the investigators to carry out further work.

. You or your legal representative will be informed of the intention to apply for an extension to the ABP either in person if at the police station or by your preferred means of contact. You will be asked if you want to make any representations either immediately if in person by return of post/email etc.

. Early reviews will be conducted by relevant decision makers and later ones will be conducted by the Courts.

. The ABP will be suspended for the time that the case is sent back to the Crown Prosecution Service.

. You will be informed of the decision and the relevant time and date of the end of your ABP.

. You will also be informed of the actual date and time you are due to answer bail. This may be the same or a different time to the end of an ABP.

. The consequence of all the above is that your bail date can be subject to several amendments. However a reasonable attempt will always be made to notify you of any changes, in writing to the address that you have provided to the police (or the preferred method of contact), and/or via your legal representative if you have one.

It is important that you notify OIC of any change of your address, your legal representative, or other point of contact, and that you provide us with any current phone numbers and email contact details. By doing so, we may be able to prevent you having to attend needlessly at a custody suite if we know (especially at short notice) that you have a new, later bail date or other information change (such as 'No Further Action').

Police Advisory Notice to Suspects

If you are involved in criminal proceedings, the following summary of potential offences is included for your information and awareness. The same offences will also be brought to the attention of any relevant victim or witness for their information. The list of offences is NOT exhaustive.

The purpose of this is to make clear to all involved parties that any unlawful, unnecessary or inappropriate contact between the suspect in a case (either directly or through a third party), and the victim or witness may constitute a criminal offence.

Any unlawful, unnecessary or inappropriate contact reported to the police, including any perception that this is the case, may result in arrests and prosecution of parties for any of the following offences

Intimidation of witnesses, jurors & others

Under 5.51 of the Criminal Justice & Public Order Act 1994 it is an offence to intimidate or threaten by any means any person involved in the investigation of an offence relating to criminal matters.

In summary proceedings A fine and/or maximum six months imprisonment

On indictment A fine and/or maximum five years imprisonment

'Harassment'

Under 5.2 of the Protection from Harassment Act 1997, it is an offence for a person to pursue a course of conduct which amounts to harassment of another, and which he/she knows or ought to know amounts to harassment of the other, or to persuade any person not to do something that they are entitled or required to do, or to do something that they are not under any obligation to do.

In summary proceedings A fine and/or maximum six months imprisonment

On indictment: A fine and/or maximum two years imprisonment

Please note that other, more serious, offences are also provided for under the Protection from Harassment Act 1997

Perverting the Course of Justice

Under Common Law, it is an offence to conspire, act or embark upon a course of conduct which has a tendency to, and is intended to pervert, the course of public justice.

Some of the ways where conduct is capable of amounting to this offence is by making false allegations, perjury, concealing offences, obstructing the police, assisting others to evade arrest, failing to prosecute, interfering with witnesses/evidence/jurors, and publication of matters calculated to prejudice a fair trial.

On indictment: Maximum LIFE imprisonment

Postal Charging

This leaflet explains Postal Charging and answers some questions you may have.

What is Postal Charging?

This is a method of bringing an offender before a court for prosecution.

It means that you could be charged and required to attend court by post without returning to a police station.

Can I be charged by post?

If you have been in police custody and you are granted unconditional police bail to return to a police station at a later date you may be charged by means of a 'postal charge' if a decision is made to charge you.

How does it work?

If a decision is made to charge you at least 14 days before you are due to answer your bail you may receive a 'charge' and a 'requisition' to attend court through the post.

Will I still be on Police bail?

Once a postal charge and requisition has been issued you will no longer be on police bail for that offence.

What do I do if I receive a Postal Charge?

You will receive a charge/requisition form (MG4D). This will state the offence(s) with which you are charged. This will require you to attend court at a specified date and time.

If you fail to attend court when required a warrant will be issued for your arrest. If this happens, If this happens you may be held in custody until the next available date

6

If you do not receive a postal charge or a bail cancellation notice you must answer your police bail at the date and time shown on your bail form.

Dear Madam,

Thank you for your emails. It is unclear what you are trying to do or seeking. Unfortunately your case has been closed for many years, we are not in a position to advise you further. You have not sent any new forms either so I am not sure what you would like this Court to do. Please seek legal advice.

Kind Regards,

Dear Dominique

From your photo online, you have a slender and alluring figure.

There are two matters before the Court of public opinion, over which I have presided continuously since 2017.

Your colleague Nasser Imam, Issues and Enquiries | Administrative Court Office | King's Bench Division | HMCTS | Royal Courts of Justice | Strand, London | WC2A 2LL emailed at 1.07pm on 6 July 2023 advising "Your case CO/1680/2022 has been closed since 23/08/2002." This is outrageous because a case cannot be closed twenty years before the proceedings were even launched. You failed to correct it and thus assume partial responsibility after the fact which has caused me immense suffering, mental anguish, distress and a recurrence of fits and the need to bite people, which could get me into trouble,.

While this blemish by you could be the end of your career progression, I may be prepared to overlook this and not drag you to a tribunal. What you need to do is to surrender your body for my intimate examination and bio-probing, to be performed within ten days of this notification. At first I considered buccaneering into you in Leeds at the Mercury Hotel but upon reflection will instead despatch my driver, one Gurpal (Paul) Tiwana, to collect, bring you to my sound-proofed first-floor basement, and take you back after I satiated myself and you have become obsessed with my danda. He is a Sikh so he will expect payment in kind while in transit.

I was about to make this offer to Miss Fatma Abukar at the Civil Appeals Registry but for obvious physical and physiognomical reasons you have displaced her from my short-term scheduling.

My published 140 books in The Allurement of Reality series, available at Lulu, Barnes and Noble and other vendors should allure you but you may also need some physical stimulation to get you into the correct frame of mind for my Domination of Dominique. I uploaded this photograph of me thinking of what I will do with and to you https://static.wixstatic.com/media/46b182_0aa02864e1534d8683e6159ce3c9c9ebf000.jpg and in a following-up email tomorrow I will send only you a very private photograph. You may also need to practice dilation sutras to be sure of comfortable accommodation.

Yours appealingly

Good afternoon,

I think this may have been sent to us by mistake as the case number quoted was a London case. We have had no involvement with anything by the looks of it from the attachment all emails appear to have come from London.

Kind regards

Dear Krishna

We the citizens/people rely upon government or State official sources to update us on our legal situations, and not engage in indirect communications on related matters with third parties which could be construed by the courts as obstructing justice or perverting the course of justice.

I have to await the interim report or final report requested from Kent Police before considering what I can lawfully do on or to my websites on my career of Freelance Social Media Journalism in the same methodology as previously conducted in the public interest for the present and future generations of humanity globally. These matters were discussed in an interview when I was arrested on 13 July 2023 and a warning issued to me on the basis of which I was bailed for Stalking allegation to 10 October 2023 1600 hours; this in addition to being bailed for malicious communications to 28 September 2023 1600 hours.

The long and the short of the matter is that I am not doing any further work on my websites until Kent Police has issued its final report on my last submission APOLOGY AND COMPENSATION DEMAND. If my demand is not met from this report, the judicial review at the Administrative Court of the High Court at the Royal Courts of Justice which has already granted permission will have to scrutinise the matter which will include issuing directions on appropriate adjournment of the 10 November 2023 2 pm Trial Hearing at North Kent Magistrates Court until after the Judicial Review is completed.

Is that clearly understood Krishna?

Yours truly
